## Various Activities Keep Scarlet Key Men a Busy Group

### No Abolition For Senate Is Decision

(By Canadian University Press)  
Last Friday at Carleton College, the Liberals defeated the Canadian Commonwealth University Federation motion for the abolition of the Canadian Senate by a mere majority of two. At the first session of the Carleton mock parliament, the house was kept in an uproar by frequent interruptions, on points of order etcetera, and the Speaker of the House, Professor Frank McKinnon, had to make use of firm but sprightly hand to keep the session from becoming unruly. The vote finally counted at 31-29.

The CCUF opened the Mock Parliament with a surprise when Des Bowen, CCUF party chairman, moved that Prime Minister MacKenzie King be sent a letter of commendation upon his having been selected for the Order of Merit by His Majesty, King George VI. This motion was passed unanimously by the House.

**Spectators Confused**  
Spectators and most of the members themselves became somewhat confused over an amendment to the abolition motion and an amendment to the amendment. The amendment to the motion, made by Lib. Leader Russ Bell, called for retention of the Senate with more efficiency by the faster passage of legislation from the Lower to the Upper House.

**Join Forces**  
Immediately after the House defeated the Conservative resolution the P.C.'s and the Liberals openly joined forces. Prime Minister Bell and Liberal party whip Howie Somerville crossed the floor and went into a conference with the P.C.'s in spite of the fact that the Speaker was standing. Eventually the spluttering and astonished Speaker cleared the floor of the unabashed huddle.

When order had been restored and the offenders had been reprimanded, the House defeated the Liberal amendment to the motion.

The House was thrown into an uproar when the vote was taken on the abolition motion. The vote was obviously close and the harassed Speaker had to establish the rights of Eric Lahey, a CCUF supporter, to be in the House. The Conservatives maintained he was a "visitor" with no right to vote, but he produced his college registration card and his vote was allowed.

### Hold Hayseed Hop Saturday

The McGill Outing Club will be host to a group of ragged farmers and scarecrows, at its Annual Hayseed Hop, which will be held in the Union Ballroom, on Saturday, November 29.

Jack Crepeau will act as M.C. for the evening, on which both modern and barn dancing will be featured. The Corn Cobblers' band, which will provide the music for the latter, is composed entirely of blind musicians. Its service was obtained, after much difficulty, through Dr. Clark, Dean of the Faculty of Music.

Chuck Leger and his orchestra will play the modern music, while Dick Campbell and MOC Hog Callers will voice the calls for the square dances.

Tickets are on sale at the Union Tuck Shop. The cost is \$1.00 per couple, plus one cent for every inch around the girl's waist.

**MEDICAL EXAMINATIONS**  
Medical examinations for all students attending Dawson College, both residents and commuters, will begin on Monday Dec. 1. The names will appear on the notice board together with the dates and times they must report. Failure to appear for the appointment will result in the imposition of a fine.

### Ushering Not Only Society Function; Elections Soon

By PAUL BETTS  
"Glorified ushers" — that's the usual reaction of most McGill students when the Scarlet Key Society is mentioned — if it is mentioned at all. The popular misconception of the Society's function is a result of the fact that the majority of students only see the Key during the football season, performing a function which is, strictly speaking, not a part of their duties at all; the Key is something quite different.

The Key is, in fact, the only honorary society for the whole of the male student body of McGill, and its duty consists in acting as the official host of the university. To obtain money for their sweaters and for operating expenses, the Key has contracted to take charge of Molson Stadium during the inter-collegiate football season.

**FORMED IN 1925**  
Formed in 1925, on the pattern of the Dartmouth Green Key, the Scarlet Key has been the envy of many Canadian and American universities. Several have formed similar societies after their representatives were received here by the Key. Very recently McMaster University has taken steps to form a Key of its own, basing it on McGill's model.

During the war, the Key was forced to take on many tasks such as ushering and ticket-taking due to the man-power shortage, but for the past two years these activities have been stopped, and the Key has reverted to its primary role of welcoming visitors to the University.

**Bear In Mind**  
All clubs who are inviting guest speakers or other visitors to McGill might bear in mind that it is the Key's duty to meet these visitors, and the clubs should advise the Key of these intentions. With the elections for the Scarlet Key coming up on December 8, students should look over the list of candidates appearing in to-day's Daily, familiarize themselves with the candidates and vote for those whom they think will represent the university most efficiently, ably, and courteously.

### Eng. Students Hear Keefler

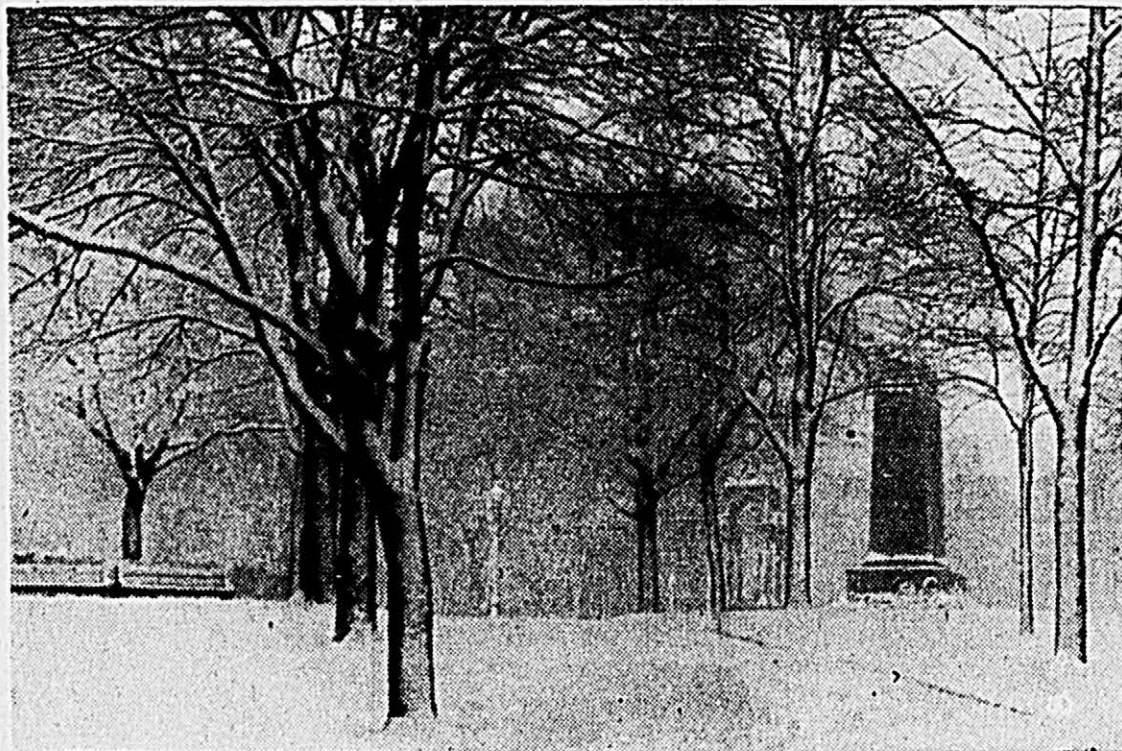

Pointing the fact that leadership develops from necessity and opportunity, Maj.-Gen. R. H. Keefler, C.B.E., D.S.O., E.D., stressed the importance of being prepared for the opportunity when it comes along and to have a clear understanding of what is involved.

Before a gathering of engineering undergraduate students from McGill University on the occasion of their annual banquet, General Keefler spoke about a philosophy of life which he feels applicable to members of a democracy.

In discussing the problem of maintaining peace, the General expressed the opinion that almost without exception everyone who advances a panacea for world peace bases it on his own particular field of endeavor. The personal background and aspirations of the individual leaders enters to a large extent into the contribution each makes to world peace, and it is the summation of all efforts that will provide any possibility of peace, General Keefler added.

Held in the Canadian Legion Hall, members of the faculty and undergraduates were present. At the head table were the General, who was guest of honor; Dean J. J. O'Neill of Engineering; Professors J. P. McEwan, C. A. Robb, G. A. Wallace, R. E. Jamieson, G. J. Dodds, J. B. Phillips, R. B. Killam and Dr. H. G. I. Watson. Queens' and Toronto Engineering Undergraduate students were also represented.

**DAILY STAFF**  
A party for all Daily Staff will be held in the Grill Room of the McGill Union at 8 o'clock tonight.

INTERESTING SNOW SCENE: Man's eternal struggle with the elements is nicely pointed up in this manifestation of final conquest, which also has several valuable aesthetic qualities to the trained eye. The motif has been described by one connoisseur as, "What Price Snowballs?"

## 'Ogie's' Winter Looks Grim

### Hold Holiday Dance Tonight At Dawson

The Holiday Dance, one of the most important events on the Dawson social calendar, takes place tonight in the Dawson Gym at 8.30. More than 400 girls from Montreal are expected to attend the hop. George Mueller, recently elected Social Chairman, who so successfully managed the Barn Dance at the beginning of the term, will also be in charge of this affair.

In addition to dance music provided by Lenny Rubin and his orchestra, the committee has planned an evening of entertainment, the star attraction of which will be the well-known comedian, Frank Munroe. Refreshments will be served until the end of the dance at midnight. Buses will be on hand at that hour to enable Dawson students to escort their dates home. The fee on the buses will be the usual 50 cents.

Tickets for the dance may be obtained in R.V.C., the Arts Building, and the Union from members of the Red Wing Society.

Special buses are leaving from the Royal Victoria College at 7.15 p.m. to bring the girls to Dawson. The 75c ticket sold in Montreal will provide both transportation and admission to the dance. The 50c Dawson ticket does not include transportation. Buses for girl friends of Dawson Students will leave from the main entrance of the Sun Life Building at 7.30 p.m.

Volunteers from the Dawson student body are urged to get in touch with George Mueller as soon as possible to help decorate the Gym. He can be contacted either through Mr. Hilliard or the Dawson Daily Office.

### A & S Meeting Is Cancelled

The chairman of the projected Arts and Sciences meeting, Dick Tremaine, was forced to cancel the meeting yesterday at 5.20 in the Union Ball Room for lack of a quorum.

The required number of students in attendance is 100. At the meeting yesterday, approximately 25 students were present. The event was to introduce to the Arts and Science students the three candidates in the forthcoming election and to hear the platform of these candidates, Len Beaton, Len Mathewson, and Jean Pouliot.

Beside a planned discussion on the proposed amendments to the constitution of the Students' Executive Council, the gathering was to have heard Paul Betts present the budget, the presentation of plans for the coming session, and a discussion of the various committees of the society.

The executive has announced that the meeting will be held at a further date. It will be made known well in advance where, when and why the meeting will take place, and students in the Faculty of Arts and Science are urged to attend in sufficient number to provide for the necessary quorum.

By FALL N. URPRATT  
(Daily Staff Writer.)

"I am definitely Anti-Winter," stated J. Oglethorpe Drinkwater in a special interview with The Daily. Mr. Drinkwater, a well known Campus authority, made the following statement while ducking snowballs thrown at him by winter-crazed coeds:

"Yesterday because of the ice in front of the Biology Building I was late for a 'Zoo' lab. That is one of the worst things that has happened this year. If this sort of thing continues I will introduce my bill at the next session of Parliament to make the falling of snow illegal and the dropping of the temperature below 32 degrees contrary to the Articles of Confederation."

In a poll held later in the day, The Daily learned that ninety-nine per cent of McGill students had suffered mishaps due to the heavy snowfall. Twenty per cent of these had sprained arms resulting from overuse during snowball fights. Many of the injured were seen wearing the new scarf effect, while the more conservative sported the old-fashioned gauze and adhesive tape.

**Longer Summer**  
Students considered a lengthening of summer to include December and January very beneficial. "In this way," said Mable Mayfly, a representative of R.V.C., "the scholastic year would be shortened and the general wear and tear on the student lessened."

In a special notice issued from the Dean's office the student body was reminded that excuses for absences resulting from broken necks could not be accepted unless accompanied by a medical certificate.

## Brilliant Discovery Made in Cave

Lachine, Que., November 28. — (Daily Special) — Discovery yesterday by the Lake St. Louis Archeological Society of ancient inscriptions on the wall of a cave near this Montreal suburb has Canadian archeologists from coast to coast agog with excitement.

The discovery was made by Dr. Herman Steufeldrosch, who was carrying out investigations on a believed Indian village site near the northwest corner of Peterson Residence.

Although Dr. Steufeldrosch was loth to commit himself as to the full significance of his discovery, he demonstrated immense enthusiasm as he emerged from the cavern with a photographic specimen of the drawings. "If this work is as authentic as it seems," he said, "then a complete re-estimation of both the Theory of Evolution and Professor

### List Dawson Undergrads Post Nominees

By MARK FRANCOEUR

Only three nominations for executive duties in the Dawson College Student Veterans' Society have been received so that the posts are filled by acclamation. J. E. Durocher is President, Hank Marcotte is Vice-President and G. M. Riley is Secretary-Treasurer.

Ten nominations have been received from the Faculty of Engineering and seven from the Arts and Science Faculty for membership in the Dawson Key Society. Nominees from Engineering are R. C. Henderson, George M. Stephen, John Logan, Basil A. Swan, A. G. MacDonald, George Piper, Clifford Cameron, Clifton S. Jones, J. A. MacDonald and George Mueller. From Arts and Science, Robert Little, Jim Cayford, Peter Kindersley, Larry Brown, G. B. Skinner, J. C. Chesley, and Bernard Lax.

Elections will be held at a later date to select eight members from Engineering and seven from Arts and Science. Those elected will become permanent members of the Society and will be permitted to wear the distinctive sweater and emblem.

The Student's Council is considering raising the Dawson Key quota to 15 members. It has been announced. The present membership is 13.

## Redmen Point for Revenge Over U. of M. Puck Squad In Forum Contest Tonight

'GOOSE' GOSSELIN

### West Indian Technicolor Films Shown

By ANN LYONS.

While students Kleenexed their runny noses, the McGill Film Society, in collaboration with the British West Indies Society, presented a series of vivid tropical movies. . . in technicolor.

Depicted in addition to some very interesting information, were some tanned characters in khaki shorts, giant turtles, an ocean like "liquid glass," flying fish, barracudas, and a monkey strongly susceptible to whiskey and soda.

Although Rex Stollmeyer, British West Indies Trade Commissioner and special advisor to West Indian students, apologized briefly for the amateur manner in which he took the films, they proved most effective. The bauxite mines situated at MacKenzie, British Guiana, and the Botanical Gardens at Georgetown appeared especially well-photographed.

Mr. Stollmeyer also supplied an excellent commentary smattered with local color and oftentimes humorous anecdotes.

### Dawson Group Meets Sunday

The first Dawson Faculty Fireside will be held this Sunday at 8.00 p.m., at the Faculty Club in Bldg. 24 Professor Bjorklund will officiate at this first gathering, and if last year's firesides are a criterion, those held this year promise to be a great success.

Dawson Faculty Firesides are designed to bring the students into closer contact with members of the teaching faculties, and the special aim is to provide entertainment for students whose homes are not in the immediate vicinity of Dawson College. Professor Gillson inaugurated firesides at Dawson last year and their success prompted a revival this year.

After next week's meeting, they will be continued every Sunday evening at the same place with different staff members acting as conveners. All students on the campus are invited for a pleasant evening. Coffee and cigarettes will be served.

### Mechanical Students To Make Plant Trips

The Mechanical Club has arranged the following plant trips for third and fourth year Mechanical engineering students, during the first term.

**Fourth Year**  
Dec. 10: Industrial Group—Dominion Rubber Company Ltd. Papi-neau Works.

Dec. 11: Mech. of Mach. Group—Dominion Bridge Co. Ltd. Turcot Works.

Dec. 15: Power Group—Dominion Steel and Coal Corp. Hamilton St. Works.

All fourth year trips start from the Engineering Building at 2.00 p.m.

### Lineup Changes Mark Senior Ice Crew; Pitfield Out

By BOB BORNSTEIN

McGill Redmen open the local hockey season tonight, when they face the University of Montreal on the Forum freeze. The Red and White inaugurated their schedule on the road last week-end and emerged with a victory over Gene Chouinard's Queen's outfit and a loss to these same U. of M. Carabins.

The Red squad did not show impressively last week, and only a superlative effort by Captain Cy Biegler enabled them to gain a split. Biegler tallied four times in the two games and was a constant threat at all times. However, the rest of the team was sorely lacking in scoring punch. This may be attributed, in part, to the sensational goal-tending of Denis Lahale in the Carabin nets in Saturday's contest.

#### Line-up Changes

Dave Campbell has been putting the boys through their paces in an effort to sharpen up their shooting. He has also made quite a few changes in the line-up. "Sandy" Sanderson has been moved up from his old position on the defence, to take the place of the injured Ward Pitfield on a line with Tommy Hale and Reggie Sinclair. Biegler is now playing on a line with Phil Henry at centre and "Yank" Hackett on the other wing. Jimmy Atkinson and Warren Chippendale flank Jack Millar on a third trio.

The inimitable Jack Gelineau will be between the pipes as usual, with Dick Currie ready in case of emergency. Mike Fisher, Doug Heron, Johnny Vincelli and Gordie "Goose" Gosselin will be the McGill blue-line blockers in tonight's fixture.

"Les Carabins," coached by Art Therrien, last week proved beyond a doubt that they are a force to be reckoned with. Should Lahale turn in a performance similar to the one he gave last week, the Redmen will find themselves battling desperately to dent the twines behind him. However, it is doubtful if he can repeat and the Campbell crew should win handily tonight.

On the defence for the Carabins are such men as Andre Laperriere, Jean Crepeau and Leopold Denault. Therrien's top line is composed of Georges Emblem, Yvan Dion and Roger Pinard. There is also the "L" line, which features Denis Lazure at centre, with Yvon Lefebvre and Giles Lalonde on the wings. Andre Charest, high scorer with the Quebec Aces last year and Dollard Gaudet are other threats in the line-up.

A McGill victory tonight would move them into first place in the league standings, but they will have played more games than the other teams in the circuit. The game itself should be a fast and rugged one, as both teams have power on the blue line and speed up front. McGill has an edge in both departments and this superiority should assert itself in the clash "ce soir."

The game will start at 8.30 and an athletic booklet plus his best gal will admit any McGill student. At Toronto the Varsity Blues open their season against the Queens Golden Gaels.

Let 'er go, Redmen! Remember, Gignac's gone for good!

### Arts Debaters Meet In Union at 1 p.m.

There will be a general meeting today of all first year Arts students interested in debating, at 1.00 o'clock in the Music Room of the Union. An impromptu speaking will be held, with the subjects to be announced at the meeting. The purpose of this meeting is to lay the foundation for a first year debating organization.

TOMMY HALE

### Hold Dance After Hockey Game Tonight

The Ice Frolics dance gets under way at 10.30 tonight at the close of the hockey game. The dance sponsored by the Red and White Society will feature Stanway's orchestra.

Tickets are now on sale at the Union at 50c a piece and the fair is either stag or drag.

Buses will be stationed behind the Forum to pick up the spectators at the close of the game. Tickets will be sold during the game at 10 cents each.

Those who have heard a comparatively new orchestra, the Montreal scene are enthusiastic about its performance. It specializes in slower dances, but live music is reported to be "right in the groove."

While a barbershop quartet was originally planned as part of the program, for various reasons has been postponed to a later date. According to committee chairman Ray Charlton, this is the first in series of after-hockey dances where bigger and better entertainments are planned.

### Marxists Hear John Switzman

"Development of Capitalist Society" was the subject of the Marxist study group discussion held yesterday during the noon hour, at which John Switzman, the guest speaker, traced the growth of capitalist society within the feudal system, and described the stages in the development from the days of the guild system to the present day.

Reviewing the historical background of the movement, the speaker covered the organization of trade unions and the growth of the capitalist system throughout the world, stressing that the world was divided into "spheres of influence" where only certain capitalists could trade. Mr. Switzman concluded by saying that there was "too much imperialism and too little world for it to expand."

## US Team Vies With Canadians

Tomorrow at the Currie Gym, the Dominion Gymnastics Meet takes place with topflight Canadian and American entries seeking honors. Highlighting the South of the Border participants will be the Swiss Gymnastic Club of Union City, N. J., winners of the United States championships for the last 16 out of 21 years.

**OLYMPIC PREVIEW**  
The meet should provide a thrilling spectacle with top Canadian athletes from all nine provinces in competition and the Olympic Games to provide further incentive. The experts rate the Toronto Blues high and probably the team to beat for the individual team championship, which this season includes the "Bunny" Sabbath Trophy. Varsity is sending down the largest individual team representation according to Em Orlick, supervisor of gymnastics for the A.A.U. of C. who is handling the show.

McGill will have three men to carry the red and white colors and bid for Senior honors, while Bill Boyd, former Dominion champion is coming down to represent the University of British Columbia.

**JUNIORS**  
In the junior division, Ottawa Technical High School heads the list with six entries, while Trinity College School of Port Hope, Ont., and Lowe Vocational School of Windsor, are sending four man squads.

Entries received to date are as follows:

**SENIOR**  
Bill Boyd, University of B.C.; Earl White, St. Catharines Y.M.C.A.; H. Bee, J. Gibson, Doug Kerr, L. W. Humphrey, J. Johnston, J. Laxton, Toronto University; Geo. Parlee, Ottawa Tech; John Cooper, Westmount Y.M.C.A.; Art Henderson, Doug Marsland, John Foster, McGill; Alf Thompson, Vic Kvasnicka, Joe Beauchamp, North Branch Y.M.C.A.; Francis Heggtveit, unattached, Ottawa.

**JUNIOR**  
Alex Harris, Marvin Johnson, Mike Sozonchuk, Lowe Vocation School; Alan Mulloy, John Thompson, Gerry Colter, Ken Mitchell, Ray Gauthier, Art Barbeau, Ottawa Tech; N. F. Thompson, Hugh Welford, Trinity College School; Hubert Pietrinferno, Roch Poulin, Montreal High; David Pengelly, N.D.G., Y.M.C.A.; L. Mather, G. Mather, Albert Graham, North Branch Y.M.C.A.

## Waterpolo Team Plays At Toronto

### Dawsonite in MAAA Bird Championships

The third annual M.A.A.A. Invitation Badminton Tournament will swing into high gear tonight with seeded stars from both sides of the border scheduled to see action.

Main McGill interest will lie in the performance of Dawson's Gordie Simpson, last year's Provincial Singles and Doubles champ. The M.A.A.A. star will be facing stiff opposition, however, with Dick Birch, former Dominion champ, and Jack Muir, both down from Toronto's Carlton Club. In addition, three of the four top-rated American players are entered in this tournament, in the persons of Carl Loveday, Bob Williams and Clint Stephens. The international flavour of the competition is heightened by the presence of Edith Marshall, No. 1 U.S. feminine performer, of Buffalo, N.Y., who will rule as favourite in the ladies' singles event.

### ELIMINATIONS OVER

Unseeded local players have seen action for the past four nights in an attempt to qualify for the final rounds getting under way this evening. From a McGill standpoint the performance of the ladies' doubles team of Betty Evans and Moira Tucker, a couple of Phys. Ed. types, has been especially impressive, as they have overcome some stiff opposition to reach the qualifying rounds.

Semi-final and final rounds of the tournament will be played off on Saturday and Sunday afternoon at the Peel street courts and, considering the calibre of the entries, should produce some of the best badminton to be seen in Montreal in some years.

### Floor Hockey League Reaches Final Stages

Two games take place tonight in the McGill Floor Hockey League with the Combines and Virgins meeting in one of the most crucial games of the season. In the second game PhysEds tangle with the Commercials.

Due to the Junior Prom next Friday, some changes have been made necessary. Following is the remainder of the schedule, including tonight's games:

Friday Nov. 28—5.15, Combines vs Virgins; 6.15, PhysEds vs Commercials.

Mon. Dec. 1—6.15, Stars vs Virgins.

Tues. Dec. 2—5.15, Alkies vs Plumbers; 6.15, PhysEds vs Flashes. Wed. Dec. 3—5.15, Combines vs Commercials.

Playoffs to start Week of Dec. 8.

### SWIM CLASSES

Learn to Swim Classes for men are now being held Fridays 4.45 to 5.30 p.m. and Mondays 4 to 5 p.m. at the Canadian Legion Pool, 1191 Mountain Street. Men may take their own towel and bathing suit or rent them at the Pool. — Towel and soap: 10 cents, suit: 5c.

Sentinels are posted at the very threshold of biological science, so that Canadians may live better, safer and longer. Soldiers of disease-prevention guard the quality and safety of everything we eat and drink and even of what goes into our drugs and medicines. National health watchdogs in laboratory, on inspection staffs and in administrative posts work with provincial, municipal and rural health authorities, with the specialist and the scientific explorer in his clinic, to ensure a healthier Dominion.

### COME IN TODAY

**CASH or CREDIT**  
**26 WEEKS TO PAY**  
Fine range of quality Suits and Overcoats. All the wanted styles and fabrics. Satisfaction guaranteed.

**O'COATS from \$35.**

**LOWBY'S SUITS from \$42.50**

**1223 PHILLIPS SQUARE**  
Open Tonight and Saturday Until 9 p.m.

**SMITH-CORONA**  
Wm. M. Hall & Co. Reg'd.  
511 McGill Street - Marquette 1295 MONTREAL

Pictured above is REG SINCLAIR, smooth performer from the senior hockey team which meets U. of M. tonight. Reg has been showing up well so far and is an important cog on the first line.

### Hockey Team Tackle St. Paul in Afternoon

This Saturday the McGill Junior hockey team, still seeking the winning ways, encounters St. Paul in what should provide thrilling, slam-bang, fighting hockey. The contest will be the opener of a doubleheader taking place at the Forum.

Paced by the Junior "Punch Line" of Peppard, Taylor and Bob Russell, the team is starting to go well as a unit, and the passing of time finds them working even better. The above mentioned trio has done all the squad's scoring and have the makings of future intercollegiate material.

Either Sheldon or Nagor will start in goal, both proving more than adequate men. On defence will be Parsons, who has been the main cog defensively, and Edmondson. More than adequate depth is provided by big Herbie Sibley, former Midget and Bantam Royal star, whose Butch Bouchard type of play has gained him the respect of opposition; Johnson and Curran.

Forward replacements are Ross, Hutchison, J. Taylor and MacGuire. Our boys are looking forward with keen interest to this tilt and should make an excellent contest of it.

### Reservations on Monday for Prom

Tickets for the Junior Prom are now completely sold out, it has been announced, and table reservations will be taken starting Monday morning. The Prom is taking place on December 5 at the Sir Arthur Currie Gymnasium, with Johnny Holmes and his orchestra providing the dance music.

Demand for tickets during the week were very heavy and the committee placed 30 extra tickets on sale. However, these too have been sold out and nary ticket is available.

Table reservations will be taken at the wicket in Mr. Fletcher's office in the Union on Monday morning by Jane Macintyre, and some member of the committee will be in attendance all day. For those who cannot make their reservations during the day, Jane Macintyre can be contacted in the evening at WI. 3019.

### COED BASKETBALL

The following games will take place today —  
4.00 p.m. 1A vs. Physios.  
4.40 p.m. 1B vs. 4.  
5.20 p.m. 3 vs. 1C.

## Two Tie Tilts Mark Dawson Floor Hockey

On Wednesday evening two games of floor hockey were played at the Dawson gym.

In the first game, the Manglers and the Mountain Boys tied 1 to 1. Chamberlain of the Mountain Boys scored in the second period while Dormer of the Manglers scored in the third.

The second game was played by two picked teams with the hope in mind to choose an All Star Team to meet McGill in the near future. The score was 2 to 2, with Wixon, Lang, McCormick, and Rathwell scoring in that order.

### ALL-STARS

Dawson's best players turned up in an attempt to get on the All Star team. All played well and fought hard, thus creating an extremely difficult task for the officials to pick out the best players.

Tentatively, the All Star line up for the Dawson floor hockey team is as follows:

Goals, Kelly; Defence, Murdoch, Lawrence, Ritty and A. Wilcox; Forwards, First line, Rathwell, Stetham, Szabo; Second line, Lang, McCormick, Fields; Third line, Gosselin, Wixon and McDonald.

One of the notable features of the game was the lack of team spirit, but after a few organized battles with stiff competition this element, essential for a team to be outstanding, will be developed.

### REFS NEEDED

The manager of the Dawson floor hockey league, Hutch Hutchison would like to remind each team captain to appoint a referee for the game played before his own team plays. If a team plays the first game of the evening, they are to supply a referee for the last one.

## Cagers Tangle with YMHA Tomorrow

With two pre-season warm up tilts already chalked up to experience, our Junior hoopers, under the highly capable tutelage of Senior Coach Howie Ryan, face the YMHA Juniors tomorrow night at the YMHA gym. The Redmen have shown up quite well in the aforementioned exhibition games, for although they were edged out by the YMHA Juveniles, they won a decisive 45-29 victory over the MacDonald Intermediates.

Most of the McGill scoring punch has been furnished by that terrific trio of Eliot Godel, "Flash" Baker, and Mitch Garfinkle, while guards Klein, Fox, Gordon and Zunder have been impressive on defence, and especially in snaring those rebounds. A change in the starting time from 9.15 to 7.45 makes it necessary for the players to be at the YMHA gym for 7.15.

### COED ARCHERY

Tonight, at 7.30 in the Rifle Range, tryouts will be held for positions on the Co-ed archery team, in the coming meet against MacDonald. Eight archerettes will be selected.

### MIXED BADMINTON

There will be only three courts available for Badminton on Saturday night, November 28. After this week until the end of the year nine courts will be available on Tuesdays and Thursdays, but there will be no more badminton Saturday nights until the first of the year.

## Start Schedule Against Varsity

Beat Varsity! That's the shout of the McGill water polo squad as they take on the Toronto Blues tomorrow night in the opener of the intercollegiate schedule. The Varsity team are rated as favourites over the Redmen, who start the defence of their second straight intercollegiate title.

### TORONTO FAST

Toronto Coach Bob Dunstan has molded a fast outfit, and reports from the Queen City indicate that they are twice as strong as last year. The Blues downed Hamilton AC, the Dominion Champions, 8-2 in an exhibition till last week, and have beaten all opposition in Toronto.

The Varsity squad have been practising since the beginning of October, and in addition to their exhibition tilts, the players have been participating in the fifteen team inter-faculty league. They will have a definite edge on condition as the team practises five days a week in the 75 by 40 Hart House Pool.

### ROSE CONFIDENT

Jimmy Rose, the McGill coach, does not take these reports too lightly. However, he feels that this year's squad, with seven holdovers from last season, is in fine fighting fettle, and they have gained more experience while playing in the city league. He is afraid that the team will be over-confident, and possibly stale from too much competition in the city games. In announcing his line-up last night, Coach Rose said, "McGill will go in fighting, and Varsity will know they've played a tough game at the final whistle."

### McGILL TEAM

Leading the Redmen's attack will be the starry duo of Bob Mahon and Gerry Cooper, both holdovers from the past two seasons. In past tilts against Varsity, they have accumulated (Continued on Page 4.)

## Inter Cagers Set To Battle Loyola & Mac.

The Intermediate Intercollegiate cage circuit will be officially unveiled this week-end with the Red squad seeing action tonight at Currie Gym against Loyola, and then travelling to Ste. Annes to face MacDonald College on Saturday night. Not too much is known about the Loyola squad, but this Mac team was trounced by the McGill Juniors 45-29.

### McGILL LINEUP

Although the coach would not commit himself with regard to a starting lineup, it is definite that the following will be wearing the Red and White over the week-end. There will be guards Leo Dunn and Dave Davies. We'll have four top forwards in Charlie Hayward, "Doc" Blanchard, Harry Dikofski, and Bill Novuk. Ray Davies and Pottle will alternate in the center slot. Since C.I.A.U. rules permit only nine men to dress, coach Purdy will have to make a choice between Laing and Dorland.

The tilt at the Gym tonight is slated to get underway at 7.00 p.m., while the players are asked to be at the Gym at 6.45 tomorrow night for the bus will leave at that time.

## A Critique—P. 2

wald Oswecim and Auswitz has subsided, only to permit the flames of Tennessee, Texas, and Alabama to glow with ever-growing fury. There is above all no dignity for their who toil and yet never see the blessings of their produce.

The dialectical materialist views these occurrences not as sporadic phenomena, but as constituted development of man in his struggle against the forces of oppression that attempt to stultify the growth of his creative and productive capacity.

## COLONIAL STUDENTS

The registrar's office has received from C. R. Stollmeyer, the adviser to colonial students in Canada, a memorandum concerning the admission of students to higher educational institutions in Great Britain. This memo may be consulted in the registrar's office.

T. H. MATTHEWS,  
Registrar.

## DVA CHEQUES

Many cheques for students are being held back by the Treasury because form 185d has not been submitted, or because it has been incorrectly completed. These cheques will be released as soon as the form 185d is submitted to DVA. You may get these forms from the Student Councillor's office, Room 11, Arts Bldg., on Monday, Tuesday, or Wednesday, or in the Registrar's Office today.

If you do not understand why a deduction has been made, fill out a complaint form and call back at the Registrar's Office in a few days for the answer.

It is greatly regretted by DVA that those students entitled to interim cheques for September may not receive them until the December cheques are ready.

F. C. Knowles,  
Student's Councillor.

## DATES COMMITTEE

All organizations on the campus intending to sponsor social activities must apply to the Dates Committee for permission. Application forms are obtainable in the Students' Executive Council Office in the Union. Those societies wishing meetings, dances, etc., in the McGill Union must fill in the Dates Book, available at the Union Tuck Shop, and notify the President of the McGill Union, Bob Gill, L.A. 2246 of these intentions. The Dates Committee meets every Tuesday at noon hour, and revised lists of scheduled dates will be printed in The Daily every Wednesday. Applicants are advised to petition for a date at least three weeks in advance.

The following applications have been approved for November and December:

- November:
- 27—Choral Society—Music Room, Union—1-2 p.m.
  - 27—L.P.P. Club—New Room, Union—1-2 p.m.
  - 27—Arts and Science Open Meeting—Union Ballroom—5-6 p.m.
  - 27—Geological Club—Grill Room, Union—6-9 p.m.
  - 27—Engineering Undergraduate Society—Ballroom, Union—8-30 p.m.—1 a.m.
  - 27—Sailing Club—New Room, Union—5-7 p.m.
  - 27—Winter Carnival Committee—Board Room, Union—5-7 p.m.
  - 27—Radio Workshop—Players' Club Room, Union—7-30-10 p.m.
  - 28—Liberal Club—New Room, Union—1-2 p.m.
  - 28—Daily Informal Party—Grill Room, Union—7-30 p.m.—12 m.
  - 28—U. of M. vs McGill Hockey Game.
  - 28—Red and White Society Informal Dance—Gym—10 p.m.—1:30 a.m.
  - 28—Arts and Science Debating—Music Room, Union—1-2 p.m.
  - 28—Debating Society—New Room, Union—5-6:30 p.m.
  - 28—Educational Committee—Board Room, Union—12 n-2 p.m.
  - 28—Dental Undergraduate Society—Ballroom, Union—8 p.m.—12 m.
  - 29—M.O.C. Hayseed Hop—Music Room, Ballroom, Union—7 p.m.—12 m.
  - 29—La Societe Francaise—Gesu Theatre—2:30 p.m.
- December:
- 1—Arts and Science Debating—Music Room, Union—1-2 p.m.
  - 1—C.C.F. Club—New Room, Union—1-2 p.m.
  - 1—Debating Society—Board Room, Union—1-2 p.m.

  - 31—Arts and Science New Year's Eve Party—Ballroom, Union.

## U of T Puts Symphony In Reoperation

(By Canadian University Press)

Last year the University of Toronto Symphony Orchestra, after an extended period of shabby disrepute, emerged under the baton of Toronto undergraduate, Hans Gruber, as among the most prominent and most spectacular of the university student activities. This rebirth is due, in large measure, to the energy and ability of Mr. Gruber and to the support given him by the faculty and student executives. The orchestra budget was enlarged making possible the purchase of new music. The Students' Administrative Council, sponsors of the orchestra, sent them on a tour of neighbouring camps last year. The large enrollment in the university provides a larger group of players than the orchestra has previously been able to muster. Last year the orchestra had about seventy-five members, and was a well balanced instrumental unit. The previous size ranged in the neighbourhood of forty pieces and was a miracle of unbalance and orchestral incompetence.

The orchestra library until last year, was a depressing collection of high school orchestra selections, embarrassing program material for a Symphony Orchestra. Last year Mr. Gruber stuck his and the orchestra's neck out; he programmed Beethoven's Egmont Overture and the Jena Symphony, which was the first performance in Canada of this work; Rachmaninoff's Second Piano Concerto, Liszt's Les Preludes, a Purcell Ballet Suite, and a couple of opera arias. The challenge of this music called forth all the abilities of the performers, producing a convincing rather than perfunctory performance.

For the coming season, Hans Gruber again conducting, the orchestra will perform Shostakovich's Fifth Symphony, Beethoven's Third Piano Concerto and assisted by a newly formed two hundred-voice University mixed chorus, Mozart's Requiem. The orchestra has retained this year its size and instrumentation well intact and has been rehearsing now since the middle of October. It will again go on tour in February or March.

## ANDROMAQUE

The 70 students who secured tickets for the Societe Francaise for the Saturday, November 29, matinee presentation of Andromaque by Les Compagnons, are invited to gather in front of R.V.C. today at 1:45 p.m., as the executive of the French Society wishes them to attend, as a group.

Those who applied for tickets, and could not get them, are hereby informed that they can purchase them at the same price (25 cents) at the ticket office of the Gesu Hall, for the matinee at 2:30 Thursday, November 27.

## AROUND THE CAMPUS

With the Observer . . .

In accordance with the U.J.S.A. Campaign now going on at Hillel House, the programme committee have provided entertainment for every lunch hour. Sam Moscovitch, B.A., B.C.L., the honorary chairman of the campaign, will speak to the students today at Hillel, during the lunch hour. All students are invited to eat at Hillel House.

It is also brought to the attention of all concerned that Oneg Shabbat scheduled for Saturday has been cancelled. However, the following activities are still definitely on: The Open House Dance at 8 p.m. Sunday; The U.J.S.A. informal workers' rally at 3 p.m. Sunday, and the 8:30 p.m. "live" musicale, featuring Jack Siskind and Harvey Grossman in a programme of Bach and Beethoven.

The Student Christian Movement announces the second in a series of addresses on Sunday, the 30th, at 7:30 p.m. in the chapel of Divinity Hall. Vic Rose, of the United Church of Canada, will approach the subject from the point of view of "Christian History." There will be an Open House following his address, at which the usual Panel Discussion will be held. This, in turn, is to be followed by an hour of classical recordings. Refreshments will be served, all students, and their friends, being cordially invited.

## Reporter Has Birdseye View Of Biology Building, W.S.C.

By SHIRLEY MENDELSON

Science is a field for women now, although it is far from thickly populated by them. "Since the war, however, the number of female science students at McGill has been increasing. A visit to the Biological Building will show them at different stages in the pursuit of knowledge.

With fresh lab coats and shiny new sets of instruments, ambitious co-eds trot off to the elementary zoology lab. Here they are confronted with a pickled frog for dissection. Unabashed, the girls "get into it" while the boys hide behind benches.

The following year, the girls begin to be curious about themselves; why their eyes are cornflower-blue or why their I.Q. is 160. In genetics lab, they spend 2 hours per week counting Drosophila fruit-flies. Students work in pairs and each raises its own family of Drosophila in a glass jar. They make crosses and by so doing, obtain results that can be applied, to human beings.

After climbing to the fourth floor of the Bio Building, we stumbled into the human lab of the physiology department. Eager students were experimenting on physical fitness. The heart rate and blood pressure were taken before and after four trips up and down five flights of stairs. According to one prostrate young man, "The best part is the reclining, five minutes before."

Against an impressionistic background of levers, charcoal drums, etc., we were informed that some girls spend three hours per week, and skip lectures to attend the physio lab. While one mixed couple was pitting a frog, running a mounted needle through the brain and spinal cord to destroy the nervous system, the selfsame battered specimen started to kick. The female student, naturally, took the initiative and dealt the fatal blow. After working our way through test tubes, distillation apparatus, and more test tubes, we were finally fortunate enough to meet a young woman graduate of the Biochemistry Department. Besides instructing in the elementary biochem lab, she and her biochemist husband are doing research on the detailed chemical structure of hormones.

## Women's Science Club

Another of the many faculty clubs on the McGill campus is the Women's Science Club, to which, all students are welcome as members. With 30 to 40 active members, the W.S.C. meetings are held twice a month at the R.V.C. Common Room and tea is always served. A science professor is present at each meeting and presents informal talks on his field, giving the students a broader view than they might obtain at regular lectures.

The discussion groups sponsored by the McGill Liberal Club, tomorrow, is the big day as far as the address by Prof. Watkins is concerned. This informal discussion is to be held in the New Room of the Union at 1 o'clock, and Prof. Watkins' subject is to be "The Philosophy of Liberalism." Detailed announcements of the continuation of the discussion groups will be given out at this meeting, and both members, and non-members, are welcome.

"OBS."

## LETTER FORUM

Tanks, Bob Perry

The Editor,  
McGill Daily.

Dear Sir:  
I wish to congratulate Bob Perry for his excellent column "Inside Dawson." We ex-Dawsonites at McGill looked upon it as a bit of news from home. Lets have more.

Signed,  
ALUMNUS.

Well, Mr. Goring?

The Editor,  
McGill Daily.

Dear Sir:  
Mr. Goring, in replying to my

a light workout on Saturday morning in Toronto, to get them used to the Hart House pool.

Leading the Varsity septet will be Fred Samson, Don Fleet, Ed Lindgren and Sid Bossin, all holdovers. Martin Shubik will be in the goals. Additions to the team are Alan Marshall, Hugh Peacock, and Larry Rosen, all with past polo experience in Ontario.

## Elman—P. 2

ed with an admirable sense of polyphony.

The Schubert Sonata in A Major was well suited to Mr. Rupp's partner's virtuosity.

ticular talents. While he seemed a bit heavy handed where full, quiet playing was required, the playful passages were done nicely and the climaxes were fantastic.

The Ballade in F minor and the Valse Brillante Op. 34 were not for Mr. Rupp. There was none of the softness or roundness of tone that one usually expects of these pieces. It was a thoroughly masculine performance. The climaxes were much too big for Chopin. The Etude which was played as an encore was, on the other hand, given an excellent workout. Here was an admirable outlet for the performer's virtuosity.

A. H. P.

Hi There!

right now you're taking  
hurdles in your stride...  
but the ones ahead are tougher!

Not only tougher! They're sometimes very unexpected! And the man who clears them safely and easily, while others falter, and fail the race, is usually the man who looked ahead . . .

The man who looked ahead in early youth, and charted a life insurance program that would carry him over those unexpected hurdles . . . the man who determined that whatever the future might hold — the responsibility of marriage and children, the misfortune of sickness, accident, or loss of income—he would be prepared to take them in his stride.

To such a man, the Mutual Life representative is a welcome friend—a wise and experienced counsellor who has been specially trained in adopting life insurance to the varied needs, desires, and responsibilities of people of all ages and incomes and in all walks of life.

He is ready to help you now . . . to study your particular circumstances and advise on the type of policy or policy-combinations best suited to your requirements. Make an appointment with him today. Ask him to explain the special features of Mutual low-cost life insurance.
